Condition of Covers

Extremely Fine / Superb – outstanding, the envelope shows only the slightest amount of wear, the stamp and cancel appear fresh

Very Fine – choice condition, the envelope shows typical slight soiling or wear from usage

Fine to Very Fine – normal condition, the envelope shows a bit heavier wear or soiling

Fine – evident wear, still a presentable example

Light edge wear, top backflap faults, slight reductions at one side, and file folds are normal for 19th Century covers. Also normal are light cleaning and small mends along the edges. They are to be expected and are not always described, and are not grounds for return.

7.1 First Postal Flights

7. IN SERVICE OF THE POST

India / United Kingdom

Distinction of having the first official airmail flight in the world belong to India. On 18 Feb 1911, Herri Pecquet piloted a Humber Sommer biplane from the United Provinces Industrial & Agricultural Exhibition at Allahabad to the railway at Naini Junction.

The first U.K. aerial post between London and Windsor was organized as part of the celebrations for George V's coronation. First flight was made on 9 Sept 1911 by Gustav Hamel in a Blériot XI biplane. It was the 2nd official airmail flight in the world.

6.1 Post-Wright Flights to 1914

Bider & Garros

On 24 Jan 1913, Swiss aviator Oskar Bider made the first crossing of the Pyrenees in a Blériot XI, following which on 27 April he was invited to give several demonstration flights in Liestal. Later in the same year on 13 July he crossed the Alps from Berne to Milan.

Frenchman, Roland Garros in a Morane Saulnier Type I monoplane made the first aerial crossing of the Mediterranean from St. Raphael to Bizerte, Tunisia on 23 Sept 1913. In the spring of 1914 with the same machine he won the 1st Aerial Rally of Monaco flying from Monaco to Paris in 12 hrs 14 mins 21 secs.

6.4 Polar Flights

North Pole

From 21 May to 15 June 1925 Roald Amundsen and Lincoln Ellsworth made abortive attempts to be first to fly over the North Pole in a semi-rigid airship "Norge" commanded by General Umberto Nobile. They were successful this time to fly the pole except it was on 11 May, 2 days late. The flight continued to Alaska making it the first Arctic crossing.

The honour however went to Richard Byrd and Floyd Bennett who on 9 May 1926 made the first flight over the North Pole in a Fokker F.7 in a 14-hour round trip.

Amundsen and Ellsworth returned in 1926 leaving King's Bay in a semi-rigid airship "Norge" commanded by General Umberto Nobile. They were successful this time to fly the pole except it was on 11 May, 2 days late. The flight continued to Alaska making it the first Arctic crossing.

6.6 Goodwill Flights

The Balbo Air Squadron

What could then be describe as the greatest aerial road show on earth was in late 1931 provided by Italy. General Italo Balbo commanded the first mass formation flight from Orbetello to Rio de Janeiro with 14 Savoia Marchetti S-55A flying boats leaving Italy on 17 Dec 1930 and arriving to much fanfare at Rio de Janeiro on 22 Jan 1931.

Foundation of a Competitive Exhibit of Denmark

Official Circular of March 27th, 1851 announcing the first issue of stamps (on April 1st) and giving instructions on how they should be used, bearing a block of six of the 4RBS Ferslew printing, Plate II, pos. 62-64/72-74 at top left, very fine and the **largest multiple known**

The importance of this document cannot be overstated. First, it was intended to show ALL the Danish post offices, including those in the Germanic-populated Duchies (Schleswig, Holstein and Lauenburg), what the new stamps looked like, and how they were to be applied to the covers: strictly at the top right corner. If placed anywhere else, they would be ignored and 6RBS would be charged, as if the cover was unpaid. Since German States practice often mandated that stamps were to be placed at top left (e.g. in Bavaria) or at bottom left, this was taken as an insult by the populace of the Duchies - as was the spelling out of the denomination, "FIRE" (note the similar second issue had the denomination in numerals)

The rest of the circular gave more "dos" and "don'ts" - at that time, the stamps could only prepay ordinary postage. Registration (to be noted as "NB") or parcel fees still had to be paid in cash. Thus this document is a blueprint for an advanced exhibit of the First Issue of Denmark, as it gives, paragraph by paragraph, the "definition" of the weight of a single-franked cover (up to "1 Lod") and other important and exhibitable information.

The mint block of six is one of only two such blocks known, the other having once been in the collection of Christian Andersen. When one of our staff examined it before the auction of Andersen's collection, that block had minute traces of blue paper fibers indicating that it, too, had come off another "Birth Certificate" (but since brushed away to appear "never hinged")

ONLY RECORDED INTACT EXAMPLE.

Illustrated in "Danmarks Første Frimaerke" by Schmidt-Andersen. The only other example of the document itself, WITHOUT a block affixed, is thought to be in the Danish Postal Museum

Considered to be one of the most important items in Danish Philately, and for good reason

Provenance : Mott; Engellau (purchased by Scott for about US\$150,000 including agent fees, commission and interest); Dr. Scott (the foundation of his 5-frame exhibit of Denmark which received Large Gold at Ameripex and Stockholmia '86, sold at auction to Lorentzen for about US\$300,000); and Lorentzen (becoming part of his multiple Grand Prix exhibit; after his death, it was offered without reserve, and realised much less). Shown in the Court of Honour at Hafnia '87, and elsewhere by invitation.

Estimate : € 40'000 - € 50'000

DENMARK (CONT.)**The Finest Intact Mint Block of Four of the 2 RBS****60701** * 田

1852 2 RBS blue, Thiele printing, Plate II, pos. 23-24/33-34, types 5+6+7+8, in a fabulous MINT BLOCK OF FOUR, wonderful deep shade and freshness, large margins all around, mint with large part of the original gum

The 2RBS value was issued primarily to prepay postage for a letter delivered within the city walls of Copenhagen, though it was later used (until quickly exhausted) as part of the franking on covers to or through Prussia (incl. Danzig) and to Russia before the "2 S." value replaced it

An extraordinary item and THE FINEST of only TWO intact blocks of four recorded (a further large multiple is in the Danish Postal Museum, and a marginal block of four has been recently reconstructed from two singles and a pair). The other block has remained with the heirs of the expert and connoisseur Walter Engel

Acknowledged as one of the most important items in Danish Philately, and a stellar showpiece, indispensable for a high level competitive exhibit

Previously certified by Sven Grönlund, Slaomir Kaiser, Dr. Arno Debo, Lasse Nielsen and Carl Aage Moller.

Provenance : Ferrary, Lichtenstein, Engellau, Andersen, Lorentzen (who paid over US\$250,000 at the Christian Andersen auction, in competition with Dr. Scott) and Jussi Tuori

Estimate : € 100'000 - € 120'000

1871-72 Cleaned Plates 20L Blue, two strips of five, two strips of four and a single plus a single 10L Orange, totalling 390 Lepta, all tied by scarce 1872 (22 Dec.)

SKIATHOS cds on cover front to Napoli. While there are a few faults as expected, the whole is full of character and comprises one of the most important & spectacular frankings of Greek philately.

7'500

Outstanding exhibition showpiece & **one of the highest Large Hermes Heads frankings recorded.**

Rate: 390 Lepta for triple weight registered letter, valid from 1865. Three times the 65 Lepta single weight rate = 195 Lepta. Registered letters were to be charged double the amount due for ordinary ones. Although the 1865 treaty between Greece and Italy provided for a 55 Lepta universal registration fee, it seems that in this case this was ignored, and the general rule of double postage was applied.

Condition of Covers

Extremely Fine / Superb – outstanding, the envelope shows only the slightest amount of wear, the stamp and cancel appear fresh

Very Fine – choice condition, the envelope shows typical slight soiling or wear from usage

Fine to Very Fine – normal condition, the envelope shows a bit heavier wear or soiling

Fine – evident wear, still a presentable example

Light edge wear, top backflap faults, slight reductions at one side, and file folds are normal for 19th Century covers. Also normal are light cleaning and small mends along the edges. They are to be expected and are not always described, and are not grounds for return.

STAMPED WITH POSTAGE DUE MARKING "T 10". THE AUTHENTICITY OF THIS COVER HAS BEEN CHALLENGED BECAUSE OF THE ABSENCE OF ANY GUATEMALAN POSTAL MARKING. (THE POSTAGE DUE MARKING IS NOT SIGNIFICANT BECAUSE GUATEMALA WAS NOT THEN A MEMBER OF THE UPU, AND MANY COVERS OF THE PERIOD BEAR MARKINGS OR STAMPS SHOWING THAT ADDITIONAL POSTAGE WAS COLLECTED ON DELIVERY ABROAD.) ISGC EXPERTS LEAN TOWARD ACCEPTANCE OF IT AS AUTHENTIC, THOUGH THE EVIDENCE IS NOT ABSOLUTELY CONCLUSIVE.

A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

4. GARANTIE

4.1 Etendue de la garantie: Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Le délai d'extension expirera 3 mois après la date de la vente aux enchères. Les résultats de l'expertise pour laquelle un délai a été accepté doivent parvenir à DAVID FELDMAN S.A. dans ce délai. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

4.2 Expertise ou contre-expertise: Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes "FAUX" ou "FALSIFIE" ne constituent pas alors une altération du lot. En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

4.3 Limites de la garantie: Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots qui ont été examinés par l'acheteur ou son agent, ainsi que les lots qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

4.4 Paiement tardif: Si le paiement du prix marteau et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer des paiements en souffrance d'au moins 5% dès le premier mois et 2% par mois supplémentaire. De plus, les dépenses encourues seront perçues sur toutes les sommes dues par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation.

4.5 Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant plus d'un moyen de miser.

5. DROIT APPLICABLE ET JURIDICTION

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable et dans les cas se rapportant à la valeur, l'euro est converti à son équivalent en francs suisses pendant la vente.

6. Toute transaction: Ces conditions sont applicables à toute transaction même en dehors des ventes aux enchères, avec David Feldman SA.

David Feldman SA - Conditions of Sale

The currency of the auction is the Euro (€)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

1. THE AUCTION LOTS ARE OFFERED

1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

1.2 As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

2. AUCTION BIDS

2.1 The auction bid steps for all auctions are as follows: (some auctions may be in other currencies than Euros)

€ 50 - 100	€ 5	€ 2000 - 5000	€ 200
€ 100 - 200	€ 10	€ 5000 - 10000	€ 500
€ 200 - 500	€ 20	€ 10000 - 20000	€ 1000
€ 500 - 1000	€ 50	€ 20000 - 50000	€ 2000
€ 1000 - 2000	€ 100	€ 50000 - 100000	€ 5000

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

2.2 DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

2.3 Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

2.4. Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

3. THE AUCTION

3.1 Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

3.2 Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place.

3.3 Bidders' representatives and auction agents: any person bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

3.4 Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. In addition to the knock-down price, the buyer pays an all-in fee of 20% to cover commission, charges and expenses including lotting fees, insurance, packing, export formalities etc. whether all incurred in particular cases or not. Cost of postage or shipping for all lots is additional and will be invoiced separate from the buyer all-in fee. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees including postage or shipping) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 8% of the purchase price in Swiss Francs at the converted Euro value during the auction.

3.5 Payment: Sale price plus commission and postage or shipping (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a Swiss major bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price and the commission according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other

means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Title or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

3.6 Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

3.7 Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

4. GUARANTEE

4.1 Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

4.2 Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

4.3 Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to less than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

4.4 Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

4.5 Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

5. APPLICABLE LAW AND JURISDICTION

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable and in the case of issues regarding price value, the Euro is converted at its Swiss franc value at the time of the auction.

6. All Transactions: these Conditions of Sale apply to all transactions of every kind including those outside the auctions, with David Feldman SA
