44	O	Guatemala, 4r & 1p Coat of Arms 1873, unusual group of 145 mostly used stamps, comprising 4r (121 stamps, incl. six unused no gum) & 1p (24 stamps, incl. ten unused no gum), used stamps with Guatemala circular datestamps & large numeral cancels, Fine-Very Fine. The late Walter Lind studied this issue thoroughly, and took the first steps towards plating it. For the 1p he found at least two examples each of 100 different positions, identified by various flaws. His listing of the types of the 1p was published in the Forest Green Book of the Stamp Specialist, New York, in 1948 and appeared in Guatemala-1, pages 67-68. As for the 4r, Mr. Lind never published a full list of types but Guatemala-1 lists 29 types noted by Elliot Perry when he mounted the former Lindquist collection. Highly recommended for the plate specialist. Catalogue value approaching	15,000.00

Reid in Alberton, who was a member of the Legislative Council and Merchant, faults on reverse from rough opening and tear affecting 1c stamp, other with stamps tied on large part of cover by barred oval cancel, to Charlotte Town, the 1c & 2c combination franking is recorded eight times whilst the cork cancellation has only been recorded twice.	500.00-750.00
167	C	1872 2c Blue Bisect, lower right diagonal half in horizontal pair with normal stamp, tied on large part of cover by two strikes of the rare Lehr type P119 cancel, light Charlotte Town May 27 & May 31, 1872 receiving datestamps, to Mr. Wightman, George Town, who was the town postmaster, ms. "Acknowledging receipt of \$27" at left, George Town May 24, 1872 dispatch datestamp (Lehr type P47) on reverse, top left corner and corner of normal stamp missing, Fine appearance, the two cent stamp did not apply to any postage rate and is always found in combination with another stamp, this cover was prepared by Mr. Wightman, forwarded by him to Charlotte Town, possibly seeking approval for the "illegal" use of a bisected stamp and finally returned to him a week after it was posted in his own post office, ex Carr, one of two known covers with a bisected 2c stamp.	500.00-750.00
168	C	1872 3c Rose, on small cover with four ring target cancel (Lehr type P121, only eight recorded strikes), North Tryon Feb. 3 c.d.s., Charlotte Town Feb. 3, 1873 transit on reverse (Lehr type P80), to Charles Dickie, Muddy Creek Post Office, portion of top flap missing, tear affecting top part of the stamp, Fine, 2004 V. G. Greene certificate, ex Cusworth and Carr, only recorded example of the "boxwood" cancel of North Tryon.	300.00-400.00
169	C	1872 3c Rose, tied on small cover by four ring target cancel (Lehr type P121, only eight recorded strikes), Prince Town Road Feb. 21, 1873 c.d.s. at right and docketed at left, Charlotte Town receiving on reverse (Lehr type P80), to John Longworth, Charlotte Town, minor toning affecting left margin of stamp, otherwise Fine, ex Cusworth, possibly unique example of the "boxwood" c.d.s. of Prince Town Road.	300.00-400.00
170	C	1872 3c Rose, Dot between "Prince Edward" (pos. 17), with rare cork triangular cancel (Lehr type P128) and tied by manuscript "X" cancel on cover to William Irving, Cherry Valley, Charlotte Town Feb. 26, 1873 transit & unique Cherry Valley Feb. 27, 1873 receiving backstamps (Lehr type P59), small portion of top flap missing, Very Fine, ex Cusworth and Carr, probably entered the mails at a small post office on the Eastern route.	300.00-400.00
171	C	1872 3c Rose, tied on cover by cork triangular cancel (Lehr type P128), Charlotte Town Mar. 13, 1873 dispatch datestamp, extremely rare P71 Wood Islands receiving on reverse, to Duncan Crawford, repairs at bottom not affecting stamp, Fine, one of two recorded examples of the "boxwood" c.d.s. of Wood Islands.	300.00-400.00
172	C	1872 3c Rose & 4c Green, each with manuscript "X" cancel on blue cover to David Gordon in Georgetown, manuscript "No 2" (registration number) at left, Charlotte Town Jun. 6, 1873 transit c.d.s. on reverse, small portion of top flap missing, Very Fine. ex Carr, Gordon owned and operated a store at the corner of Kent & Grafton streets, the pen cancels & the manuscript registration number imply that this cover entered the mails at a small post office, this is a rare registered cover being one of three known examples of the domestic registry rate.	500.00-750.00
173	C	1872 4c Green, tied by barred oval cancel (Lehr type P134) on blue cover to John Scrimgeour, Charlotte Town, George Town May 22, 1872 datestamp. (Lehr type P47) on reverse, cover slightly reduced at left with light folds clear of stamp, Very Fine, a rare and unexplained usage of the 4c stamp overpaying the 3c rate.	200.00-300.00

198	O	5c Brown Orange 1847, full to large margins all around, rich distinctive color, black grid cancel, Very Fine, an outstanding stamp, 2001 PF certificate.	1,250.00
199	(*)	5c Red Brown 1847, Reproduction, without gum as issued, large even margins all around, detailed impression, Extremely Fine, 1990 PF certificate.	750.00
200	(*)	5c Red Brown, Reproduction, without gum as issued, huge margin at top, full margins at left and bottom, clear at right, rich color, Fine	500.00
201	(*)	5c Red Brown & 10c Black, Reproductions, without gum as issued, 5c clear to large margins, 10c three large margins, just touched at bottom left, rich colors and detailed impressions, Fine-Very Fine.	1,650.00
202	O	1c Blue Ty. III, position 67R4, large margin at bottom, clear at right & top, and touched at left, attractive deep Plate 4 shade, N.J. town cancel, tiny vertical scissors-cut in top right margin, otherwise Very Fine, 2006 PF certificate, ex Hansen.	3,250.00
203	O	3c Dull Red, position 66R2L with double transfer, "Gents" instead of "Cents", large to huge margins all around incl. parts of adjoining stamps at top & bottom and frameline of adjoining stamp at right, 7-bar grid cancel, Extremely Fine, 2008 PF certificate graded XF 90. (SMQ \$90 for normal which cats \$15)	55.00
204	O	5c Red Brown, large to huge margins on three sides to touched at bottom, rich color, dark red face free c.d.s. that looks like a brown cancel to us, two small light corner creases, otherwise Fine, 2010 PSAG certificate.	925.00
205	O	10c Green, Ty. III, large margins all around, bright shade and light c.d.s., Extremely Fine, a beautiful stamp.	180.00
206	O	12c Black, full to huge margins all around, sharp impression on bright white paper, well-struck 7 bar grid cancel, Extremely Fine.	280.00
207	O	1c Blue, Ty. III, position 26L4, deep rich color and a sharp impression on bright white paper, exceptionally well centered -- superior to the typical example of this very difficult issue, large break at both top and bottom labels, light cancel, pulled perf. at top right, still Very Fine, an attractive example of this elusive stamp, 2006 PF certificate.	2,750.00
208	O	5c Brick Red, bright color, New York c.d.s. and vertical preprinting paper fold, irregular perforations at right, Fine, 1997 PSE certificate.	1,650.00
209	O	5c Red Brown, Ty. I, nicely centered with beautiful color, two strikes of circular datestamp leaving virtually all of the central vignette unobscured, Very Fine, 2002 PF certificate.	1,150.00

211	O	10c Green, Ty. IV, position 64L, recut at top and bottom making this the only double-recut position on the plate, deep rich color, two strikes of c.d.s., Fine, 1996 PF certificate.	3,000.00
212	O	30c Orange, well-centered for this notoriously poorly centered issue, rich color, red grid cancel, Very Fine, 1985 & 2005 PF certificates.	500.00
213	*	1c North American Life Insurance Encased Postage with "Insurance" curved, mica intact with minor laminations visible in cross-lighting, Very Fine.	475.00
214	BL	3c Rose, unusual block of 50 with selvage at top and left, and straight edge at right, imprint at top and part imprint at left, small repair affecting four stamps, six stamps previously hinged, other Never Hinged, Fine. Computerized records of Robert Siegel for the past fifteen years show two panes of 100 and some smaller multiples such as blocks of four, blocks of twenty & plate blocks. Scott retail as ten blocks of four & five pairs does not take mint never hinged stamps into account.	8,350.00
215	O	5c Buff 1861, cancel removed and regummed to appear unused, Fine.	1,150.00

216	O	24c Red Lilac, deep rich color, with well-balanced margins and light black grid cancel, Very Fine.	300.00
217	O	24c Brown Lilac, dark shade, well-centered on bright white paper with long full perf tips all around, grid cancel, Extremely Fine, 2007 PF certificate.	300.00
218	O	24c Steel Blue, beautifully centered within well-balanced margins, dark shade with neat light grid cancel, Extremely Fine, a beautiful stamp, 2005 PF certificate.	900.00
219	O	2c Black, Atherton Shift, Major Double Transfer to Top Left Corner and "Postage", despite being centered to top right, this is one of the better centered of the fifteen reported examples, albino pen cancels provide an unused appearance and leave the major double transfer completely unobscured, two very minor faults (a single added perf tip and a faint central thin) are far less faulty than the other examples, Fine; Stanley Ashbrook discovered the Atherton Shift when examining H.P. Atherton's Black Jack collection; examples of the very rare Atherton Shift do not appear frequently in the marketplace, the Atherton Shift is the most famous of all double transfers on classic US stamps, 2008 PF certificate.	10,000.00
220	O	15c Black, exceptionally well-centered within uncharacteristically wide margins all around, sharp impression, long full perfs, target cancel, Extremely Fine, 1992, 2004 & 2008 PF certificates, ex Mann.	200.00

267	**	5c Louisiana Purchase, Never Hinged with full top imprint selvage, gorgeous centering and wide margins for this tightly-spaced issue, Extremely Fine Gem, a gorgeous stamp that is superb in every respect, 2011 PSE certificate graded XF-Sup 95. (SMQ \$1,350)	210.00
268	*	10c Yellow, Coil, Perf 12, horizontal pair, pristine gum except for a very tiny hinge mark at top, gorgeous vibrant color, fully intact perms, beautifully centered with wide balanced margins at top and bottom, Extremely Fine pair, 1974 PF & 2003 PSE certificates. Max Johl states that only 10,000 examples of this stamp were issued at the request of a New York firm to send out advertising samples. The firm only purchased a few rolls, and the rest were distributed to some of the country's largest post offices.	7,000.00
269	*	2c Lake, Perf 12 Single Line Watermark, lightly hinged at top, intense and scarce shade, Fine, 1999 PF certificate for horizontal pair, this being the left stamp.	900.00

442	C	Forwarded by Durfee's Express in black on dark green label on cover to Chicago Ill., 3c Dull Red, Ty. I (# 11), ample margins to slightly in, tied by "Great Falls N-H Jul. 7" cds, remnants of paste-up on back and rectangular portion of flaps cut out (possibly where another label was located), otherwise Very Fine, unusual combined use of express and post office, 2009 PF certificate declining opinion on whether the label originated on this cover. An internet search led DF USA to a book called "The descendants of Thomas Durfee of Portsmouth, R.I." by William Field Reed. That book shows two possible Durfees who could have owned and operated this company. The first is James Harvey Durfee who is reported to have "... returned to Buffalo, N. Y. (in 1850) and entered the service of the American Express Co. as Messenger between Buffalo and New York City; in 1852 he accepted the position of Register in the State Bank Department at Albany, N. Y., removing from there to Woodstock, Ill., in the Fall of 1854, where in 1855 he established and	400.00-500.00

		operated an Express business on the Ill. & Wis. R.R., with headquarters in Chicago, Ill.; about 1858 he sold out to the American Express Co., and again entered their service in Chicago, Ill.; during the war of 1861-5 he represented the Joint Agency of the American and U. S. Express Cos. at Quincy, Ill., and later returned to Woodstock, Ill., where he was the agent of the Express Cos. until December, 1898, when he was retired, having been in the Express business 43 years." The 1855 time period fits with the 3c 1851 issue franking. Armed with this information, we would suspect that it is now more likely to get a genuine certificate, but certainly more research needs to be done. It is also noteworthy that the Dr. Harvey Karlen Chicago collection with locals and express lots 102-116 including a handstamp and adhesive Bronson & Forbes, a Durfee's Express label	
443	C	Frey's Valentine Express, unused entire with printed frank, Very Fine, ex Lewenthal.	500.00-600.00

449	(*)	Clipperton Island 1895, scarce complete set of ten unoverprinted stamps in different colors, 1(c) dark brown, 2(c) emerald green, 3(c) orange, 4(c) red, 5(c) brown, 8(c) blackish green, 10(c) dark orange, 25(c) dark blue, 50(c) lilac, and \$1 bluish black. The design of all values incl., in the center, an aerial view of the island with the year "1895" in the middle and birds and crawfish around. unused, no gum, 1(c) & 8(c) small tears, Fine-Very Fine. The stamps were printed in San Francisco by the local agents of the Oceanic Phosphate Company that was operating the guano business on the island. The vast majority of stamps presently known are overprinted with a double-ring cancel, and only 200 stamps with \$1 as face value were printed, so only 200 complete sets of Clipperton Island could exist.	500.00-750.00
450	C	3c United States-Canada Friendship, tied by Niagara Falls Aug. 2, 1948 cancel on hand-painted Dorothy Knapp first day cover, Extremely Fine. This is the only example I have seen where Dorothy's hand-painted and Fleetwood designs are so similar; indeed, since her Fleetwood design is not signed, we might not know it was hers, were it not for the hand-painted version.	400.00-500.00
451	C	3c Oregon Territory, tied by Oregon City Aug. 14, 1948 cancel on hand-painted Dorothy Knapp first day cover with light pencil address to Knapp, Extremely Fine.	400.00-500.00

471	C	U.S. Postal Cards, one of the best collections of its type that we have had the pleasure to offer, well researched and written up, primarily mint from 1873 onwards ie the first postal card, including a detailed study of watermark, no watermark and inverted watermark. This sets the pace for the rest of this collection with the further 1875 issues including re-cut varieties, as well as an unusual proof of the 1879 issue. The 1885 issues in depth shade study, as similar research basically throughout the collection into the 20th century, including many overprint varieties among the 200 or so postal history items here, virtually all one of a kind.
