# David Feldman SA

**DAVID FELDMAN,** Managing Director, born in Dublin, Ireland in 1947 already ran an internationally competitive stamp business before he was ten years old. After the school day finished and late into the night he was buying and selling through correspondence with collectors and dealers all over the world from his closed-in wardrobe "office" using his mother's loaned 1930's Remington typewriter.

He completed University degrees in Business Administration and Philosophy and in 1968 his company, David Feldman Ltd., was already employing eight persons. In July of the same year his self-authored and published *Handbook of Irish Philately* became the national non-fiction bestseller. David achieved a Master's degree in Philosophy in between world trips promoting his business. He came to Geneva in 1973 where he settled with his Swiss wife.

He was then instrumental in organising the impressive series of Robson Lowe Geneva auctions in 1975 while he was director of that company, but left later that year to re-establish the present David Feldman Company.

Within the next years the Company set many new commercial records in the philately world and expanded rapidly. In 1987, together with Dr. Géza von Habsburg who had been Chairman of Christie's Europe for many years, he founded Habsburg Feldman. This company was soon to rise to the top ranks in the world for auctions of fine arts. At the height of its activity in late 1989, David resigned his Chairmanship of that Company, preferring to devote himself entirely to philately and other personal interests.

David Feldman has been chairman of the Young President's Organization, Alpine chapter 1990-1992, co-founder and member of the Foundation Board of the World Arts Forum (cultural arm of the WEF, Davos) and non-executive director of several companies. He has given several University scholarships in Business schools for the study of Philosophy and Ethics, which are keen personal interests.

**MARCUS ORSI,** Director of Philately, born in 1963 in Dublin, Ireland, was from an early age working with stamps and spending boyhood summertime helping various local stamp dealers. In the course of a trip to Continental Europe in 1981 he assisted in the 1981 Feldman sale and from that moment never turned back! Starting from

the most menial and ordinary tasks he worked his way up over the next twelve years to the position of Director in charge of Philatelic activities.

His patience and persistence coupled with his charm and reliability have earned him a position of major responsibility in the Company and a well-known and respected place in philatelic circles worldwide. (Valuations, negotiating properties, consignments, exhibitions, catalogue preparation and descriptions, advertising etc.).

**LYDIA STOCKER,** Director of Administration, comes from Lucerne, Switzerland where she was born in 1952. Joining David Feldman SA in 1979 she quickly adapted herself to the philatelic world. Very organised and an excellent administrator, she has been responsible for setting up and following through with most of the Company's procedures. Today Lydia, as Administration Director of the Company, organises and controls the hundreds of vendor clients and their properties. She also handles all matters concerning philatelic material arriving, sorting for expertisation and description. Much of her day is also spent in pleasant conversation with many clients who phone or visit us at Onex.

**MARLIS HAENNI,** Director of Accounts, comes from Schwyz, central Switzerland where she was born in 1955. Before joining the Company she had an impressive experience working for the Swiss PTT. She had responsibilities for internal accounts, personnel, computer management and client relations, rising to the position of assistant Postmaster at Onex. It is clear that her experience in the posts has been invaluable to the Company in its line of business. Marlis has been the longest standing present employee with the company, having begun as general assistant in 1978. She is now Director in charge of accounts and financial matters.

**FABIENNE FELDMAN,** born in Berne, Switzerland in 1952 and wife of David. After obtaining a degree in law at the University of Geneva, she worked beside David to establish the company in Switzerland during the beginning years. She now assists at the auctions and takes care of public and client relations.

**ALEXANDRA HUBER,** Assistant Accounts, was born in the small town of Zug (near Zurich) in 1967. Over the last ten years she has achieved much experience in a variety of commercial activities related to production, telephonist and reception, secretarial, marketing and later cash and account management. She has also travelled widely, improving her languages. Alexandra joined the Company in 1990. She is in charge of all financial movements related to vendors, internal accounts, payments and budget control.

**VICTOR SA** was born in the town of Porto, Portugal in 1956. He joined David Feldman S.A. in 1986 and takes charge of all matters concerning transportation, deliveries, security and general maintenance. Being a native of Portugal and also enthusiastic and interested in all the affairs of the Company, he also takes care where possible of the Company's relations with the Portuguese speaking clients.

**ALAN McNEILLY,** Philatelist, was born in Liverpool, England in 1964 and has always been a keen stamp collector. He specialised in British Commonwealth countries and attended stamp fairs and exhibitions as much as time would permit. He has assisted the Company for many years and recently came to Geneva to work on a full-time basis. Alan controls the Company's vast mailing list and catalogue subscription service, mailings and philatelic literature department. With a keen interest in computers, Alan now also manages that area in the company's structure.

**INGVAR PETTERSON,** consultant Philatelist, was born and educated in Sweden. He is retired managing director of Svenskt Bilglas AB and associated companies in Scandinavia. Ingvar has formed one of the finest collections of classic Finland and its fabulous First Issue has earned it several Grand Prix awards. He now has an equally outstanding collection of classic Sweden. He has also been collecting Baltic States, particularly Estonia for over thirty

years. Ingvar has given the company a close liaison with all the major collectors in the Scandinavian region for over 15 years.

**RICHARD STEIN**, International Representative, was born in Dublin in 1944 and is a Fellow of the Institute of Chartered Accountants of Ireland. He joined David Feldman Ltd. in 1966 as director of the Irish company. International representative, accountant and financial advisor to David Feldman he often travels to meet with clients and discuss possible business projects. He specialises today in financial control, insurance and real estate financing.

**MICHAEL VOJTA**, Philatelist and International Representative, was born in Vienna in 1959. Already at the age of 7 he was collecting stamps. He then joined a local Austrian stamp auction company while studying for his law degree. He joined with David Feldman in 1987 where he was especially responsible for the German speaking clients and German expression philatelic areas. This has extended to Eastern Europe, particularly Hungary and Czechoslovakia in recent years. He now works with the Company on a consultancy basis as international representative. He has been secretary for several years of the Austrian Vindobona stamp society and

since 1985 a member of the Austrian Stamp Dealers Association.  
(Valuations, negotiating properties, consignments, exhibitions, etc.).

**SVEN SANSTEDT**, Scandinavian Representative, headed the auction department at Frimärkshuset, Stockholm in 1975. He was appointed managing director in 1977, retiring in 1980 when he devoted his energies to research on Swedish Postal History and stamps. Parallel with this work he has served as a loyal and invaluable representative of the Company since 1981.

LAKE GARDÀ

"IL BENACO"

Hitherto two examples were known of this ship's canceller, both on covers dated 1866 and both cancelling the 15c. on 20c. provisional, the 'ferro di cavallo'. This piece extends the date to 1869. This 20c. was issued in 1867, thus excluding the possibility of the last digit in the handstamp being put in upside down in error. Now this unfranked entire to TREMOSINE during the Austrian period (see next sheet for details) extends the recorded use back to 1865.

EX21300

LAKE GARDÀ

IMP=REG=VAPORI

This 'Royal Imperial Steamers' handstamp was used on board Austrian mail steamers plying the lake between Riva and Peschiera. Recorded used between 1853 and 1860. Two types - with and without hyphens.

Above - undated wrapper to Verona, probably from Riva because of the 3kr. Austrian adhesive. Below - 1853 entire from Peschiera to Stenico, franked 15c. of Lombardo Veneto. Riva transit on reverse.

LAKE MAGGIORE

L. M.

This oval framed stamp is the first known mark used to identify mail carried across Lake Maggiore.

The seven known examples are recorded used between 1807 and 1815, mostly during the Napoleonic occupation. Originally believed to signify Lake Maggiore, and although still uncertain, it is now felt that the letters stand for LOCARNO - MAGADINO. At that time they were places of almost equal importance at the north end of the lake and mail was delivered to each on alternate days.

1812 entire from Intra to Svitto (now Schwyz) just north of Lake Lucerne

EX21300

LAKE GARDÀ

RIVA VAFORE

1854 Entire from RIVA to VERONA bearing the first Lake Garda handstamp, the 'Riva Steamer'. Recorded used 1850 to 1859 on mail carried by Austrian naval gurboats who also ran a regular service between shore villages for goods, passengers and letters. Despite an eight-year usage not common.

1606 map of Lake Garda and the area around Verona and Mantova. Not exactly in line with present-day cartography, the map has been drawn as if from the west bank of the lake looking east.

LAKE COMO

PIROSCAFI SUL LARIO

1879 10c. postal stationery card to SONDRIO bearing a straight-line 'LARIO STEAMERS' handstamp. Three known. Written and posted on board and landed at LECCO. The writer says ".....Dear Cordiala, ....I have just eaten on the steamer with good appetite. I am well but when I think of you there are not enough serviettes to dry my tears....."

1881 Another example of this handstamp on a cover to NEW HAMPSHIRE, U.S.A., handed in or placed in a postbox on board and then landed at BELLARIO. The word 'Lario' shows signs of damage.

LAKE COMO

IMPRESA DEI PIROSCAFI SUL L. LARIO

1855 Local COMO entires bearing the steamship company's cachet and on illustrated headed paper using the modern name of Lake Como. This cachet has also been recorded on 1833 entire to Milan.

LAKE MAGGIORE

VERBANO No. 1 CORSA ASCENDENTE  
VERBANO (N.2)

1872 registered cover from Cairo to Oggebbio on Lake Maggiore, routed through the Italian P.O. at Alexandria and bearing that office's keyhole-type Consegna date stamp.

On reverse two lake steamer marks and it is believed the reason lies in the fact that Oggebbio was only a small village and boats only called three times a day and because of the importance of the letter - and to the parish priest no less - it went up from Arona to Intra on Verbano No. 1 and down on No. 2 to Oggebbio by the first available boats.

LAKE MAGGIORE

I.R. PIROSCAFI SUL LAGO MAGGIORE

There was little postal traffic along the Lombard side of the lake held by the Austrians and what mail there was was carried by their gunboat "Radetsky" on its patrol of the eastern shores. This oval handstamp was used on board. Above - official entire from COMO to LUINO dated 1852; below an undated wrapper addressed to PORTO VALTRO (now Porto Valtavaglia).

# BIDDERS - VERY IMPORTANT

1. "OFFER" indicates that the estimation is left to the discretion of bidders in view of the quantity, special character or quality of a lot.
2. Bids should be, in most cases, above the estimate to have a good chance of success.
3. If you cannot attend the auction personally, please send us your bids as early as possible. All bids are treated with the greatest discretion and in your best interest, as if you were

in the auction room. The knocking down of a lot will be done at the lowest possible price, and not necessarily at your highest bid. For example, on a lot EST. SF 200, you bid SF 400, and the best bid beneath yours is SF 300, you will obtain the lot at the next bid which is, in this case, SF 320.

4. The auction takes place in many languages, depending on the attendance of the room.

# CONDITIONS OF SALE

This auction takes place publicly. Participation means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the sale. DAVID FELDMAN S.A., organiser of the auction, acts as an agent only and is not liable for any default(s) of purchaser(s) and/or vendor(s).

## 1. THE AUCTION LOTS ARE OFFERED

**1.1 As presented in the auction catalogue:** Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centring, postmarks and all other visible attributes. The description of the lots mentions if the items are signed by recognised experts and/or accompanied by expert certificates.

**1.2 As viewed:** Before and during the auction sale, all lots may be examined as scheduled in the auction catalogue. Persons attending the auction and/or who have viewed any lots before the auction and/or bidders' representatives and auction agents are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

## 2. AUCTION BIDS

**2.1** The auction bidding steps are as follows:

SFr. 50 - 100	SFr. 5	SFr. 2000 - 5000	SFr. 200
SFr. 100 - 200	SFr. 10	SFr. 5000 - 10000	SFr. 500
SFr. 200 - 500	SFr. 20	SFr. 10000 - 20000	SFr. 1000
SFr. 500 - 1000	SFr. 50	SFr. 20000 - 50000	SFr. 2000
SFr. 1000 - 2000	SFr. 100	SFr. 50000 - 100000	SFr. 5000

Bids in-between these steps will be adjusted according to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

**2.2** DAVID FELDMAN S.A. is authorised to bid for clients in accordance with their bidding instructions. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices.

**2.3** Written bid orders received by DAVID FELDMAN S.A. before the auction sale have priority over room bids in every case. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the printed estimate price. Bids must be in Swiss francs. Bids made in other currencies will be converted into Swiss francs at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

## 3. THE AUCTION

**3.1** The auction will be held under the control of the relative city council as supervising authority. The participating head of council, the council and the county refuse any liability.

**3.2 Perogatives of David Feldman S.A.:** DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot of this sale. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or to refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises of the auction.

**3.3 Bidders' representatives and auction agents:** Any person bidding for the account of a third party is fully liable for any obligation arising from this auction. This responsibility is notably applicable for the verification of the condition and for the payment of bought lots.

**3.4 Adjudication:** Each lot is sold on behalf of the respective owner to the highest bidder. In addition to the sale price, the buyer pays a commission of 15%. On the fall of the gavel, liability for the knocked-down lots passes to the bidder whose bids have been accepted. The lots are given to the buyer when the sale price and commission are paid in full.

### ICHA (Sales Tax) - Notes for guidance:

Buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland.

DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs.

Swiss wholesalers, on presentation of their "Grossiste" cards, do not pay this tax. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to ICHA at 6.2% of the purchase price.

**3.5 Payment:** In the case of buyers attending in person, sale price plus commission are due for immediate payment in Swiss francs against delivery of the lots. Payment in foreign currencies is accepted at the rates of exchange of the day as quoted by one of the principal

banks. The mail bidders who were successful and the buyers attending the auction in person with whom it has been expressly agreed that they pay after the sale, are due to pay the sale price and the commission on receipt of the auction invoice. In these cases, DAVID FELDMAN S.A. keeps the adjudicated lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer.

**3.6 Special credit facility:** DAVID FELDMAN S.A. may offer a special credit facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice on receipt, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special credit facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

**3.7 Pledge:** Until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after this auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

## 4. GUARANTEE

**4.1 Extent of the guarantee:** Subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from the auction date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. The results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within 3 months of the auction date. No further extension of the period will be considered without the express agreement in writing of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

**4.2 Expertise and counter-expertise:** Should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert taking financial responsibility for errors to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertises. All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the adjudication price plus the commission are refunded to the buyer.

**4.3 Exclusions:** Lots described as collections, accumulations, selections, groups and those containing duplicates, cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot.

**4.4 Late Payment:** If the payment of the adjudicated price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses. An annual charge on overdue payment of at least 18% plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

## 5. APPLICABLE LAW AND JURISDICTION

This auction as well as any rights and obligations arising therefrom shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to this auction shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne.

In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable.

# INFORMATIONS IMPORTANTES A L'INTENTION DES ENCHERISSEURS

- La mention "OFFRE" indique que l'estimation est laissée à la discréption des enchérisseurs en raison de la quantité des timbres regroupés dans le lot ou du caractère exceptionnel de ceux-ci.
- Dans la plupart des cas, les offres devraient être supérieures à l'estimation pour avoir de bonnes chances de succès.
- Si vous ne pouvez pas participer à la vente personnellement, veuillez nous faire parvenir vos offres par écrit le plus rapidement possible. Nous nous occupons de toutes les enchères avec

la plus grande discréption et veillons à la sauvegarde de vos intérêts, comme si vous étiez dans la salle de vente! L'adjudication se fait au prix le plus bas possible et non pas nécessairement au maximum de votre offre écrite. Par exemple, vous faites une offre de SFr. 400 pour un lot dont l'estimation est de SFr. 200 et pour lequel la meilleure offre que nous avons, à part la vôtre, s'élève à SFr. 300; ainsi vous obtiendrez le lot au prix de la surenchère suivante, c'est-à-dire au prix de SFr. 320.

4. La vente se déroule dans diverses langues, en fonction des exigences des enchérisseurs.

## CONDITIONS GENERALES APPLICABLES A LA VENTE AUX ENCHERES

La présente vente aux enchères est publique et la participation à celle-ci implique une adhésion totale aux conditions décrites ci-dessous ainsi qu'aux droits et obligations qui en découlent. Ces mêmes conditions sont applicables à toute transaction en relation à des pièces ou des lots faisant partie de la vente aux enchères et conclue en dehors de celle-ci. La Maison DAVID FELDMAN S.A., organisatrice de la présente vente aux enchères, agit exclusivement comme mandataire et n'assume donc aucune responsabilité quelconque en cas de manquement(s) des acheteurs et/ou vendeurs.

### 1. LES LOTS SONT MIS EN VENTE

**1.1 Sur la base de leur présentation dans le catalogue:** Les lots sont décrits avec le plus grand soin sans toutefois engager la responsabilité de la Maison DAVID FELDMAN S.A. Les photographies font partie intégrante des descriptions pour ce qui est des marges, de la dentelle, du centrage, des oblitérations et de toute autre qualité apparente. La description des lots mentionne si les pièces sont signées par des experts et/ou sont accompagnées de certificats d'expertise.

**1.2 Sur la base de leur examen sur place:** Tous les lots peuvent être examinés, avant et pendant la vente, aux horaires indiqués dans le catalogue de vente. Les acheteurs ayant examiné les lots avant la vente et/ou y participant personnellement et/ou y étant représentés, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue.

### 2. LES OFFRES D'ENCHERES

**2.1 Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante:**

SFr.	50 - 100	SFr.	5	SFr.	2000 - 5000	SFr.	200
SFr.	100 - 200	SFr.	10	SFr.	5000 - 10000	SFr.	500
SFr.	200 - 500	SFr.	20	SFr.	10000 - 20000	SFr.	1000
SFr.	500 - 1000	SFr.	50	SFr.	20000 - 50000	SFr.	2000
SFr.	1000 - 2000	SFr.	100	SFr.	50000 - 100000	SFr.	5000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par une autre enchérisseur.

**2.2 DAVID FELDMAN S.A.** est autorisée à enchérir pour le compte d'acheteurs qui lui font parvenir des offres d'enchères écrites. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si un vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme un acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés.

**2.3 Les offres d'enchères écrites reçues par DAVID FELDMAN S.A. avant la vente,** sont dans tous les cas priorisées sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données "à acheter" sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en francs suisses. Les offres d'enchères libellées en autres monnaies seront converties en francs suisses au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme lant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

### 3. LA VENTE AUX ENCHERES

**3.1 La vente aux enchères se déroule sous le contrôle de l'autorité compétente qui n'assume cependant aucune responsabilité quelconque de ce chef.**

**3.2 Prérrogatives de David Feldman S.A.:** La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

**3.3 Représentants et Agents de Vente aux Enchères:** L'enchérisseur qui agit pour le compte d'un tiers engage son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

**3.4 L'adjudication: Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif.** Une commission de 15% est facturée en sus du prix d'adjudication par la Maison DAVID FELDMAN S.A. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat et de la commission dus.

#### ICHA (Taxe à la vente) - Note indicative:

Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens; dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Les commerçants suisses, sur présentation de leur carte de grossiste, ne sont pas soumis à cette taxe. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe Icha de 6.2% sur le prix d'achat.

**3.5 Paiement:** Les adjudicataires présents sont tenus de payer comptant en francs suisses le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en monnaies étrangères est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquitter les montants dus après la vente, sont tenus de payer le prix d'achat et la commission dus à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots adjugés qui ne seront remis à leurs acheteurs qu'à réception par la Maison DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste, dans tous les cas à ses frais; la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit, les frais d'assurance étant également à la charge de l'acheteur.

**3.6 Facilités de paiement:** La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt annuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est débité chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de reclamations tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

**3.7 Droit de gage:** Jusqu'au paiement intégral de montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et la faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

### 4. GARANTIE

**4.1 Etendue de la garantie:** Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Les résultats de l'expertise pour laquelle un délai a été accordé doivent parvenir à DAVID FELDMAN S.A. dans les trois mois à compter de la date de la vente aux enchères. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seuls les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

**4.2 Expertise ou contre-expertise:** Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnaît, assumant toute responsabilité en cas d'erreur, que le timbre a été falsifié, il peut le marquer en conséquence; les signes "FAUX" ou "FALSIFIÉ" ne constituent pas alors une altération du lot. En présence d'une telle réclamation la Maison DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur.

**4.3 Limites de la garantie:** Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessous que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot.

**4.4 Paiement tardif:** Si le paiement du prix d'achat et de la commission dus par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, la Maison DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du/des lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir le paiement des montants dus et/ou d'éventuels dommages-intérêts. Un intérêt + frais moratoire de 18% l'an sera perçu sur toute somme due par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous.

### 5. DROIT APPLICABLE ET FOR COMPETENT

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, la Maison DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable.

Bei derartigen Reklamationen behält DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prüfkosten und diesbezügliche Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, anderenfalls jedoch zu Lasten des Käufers. Bei gerechtfertigter Beanstandung wird das Los zurückgenommen und die Zuschlagsumme sowie Aufgeld an den Käufer zurückgestattet.

4.3 Begrenzung: Lose, die als Sammlungen, Sammellelöse, Dublettenposten oder Anhäufungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Losen, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtkaufwerts des entsprechenden Loses darstellen.

4.4 Zahlungsverzug: Geht die Zahlung der Zuschlagsumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behält DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschäft aufzuheben und über die Lose anderweitig zu verfügen und/oder auf Zahlung des Kaufpreises und Schadenersatz zu klagen. Bei Nichtzahlung ausstehender Beträge innerhalb von 30 Tagen nach Versteigerungsdatum, werden jährliche Verzugszinsen von 18% erhoben; entstandene Unkosten sind ebenfalls zurückzuerstatten. Der in Verzug geratene Käufer verliert in jedem Fall sein Reklamationsrecht.
