### The **Chateau** Estate

Assembled over 40 years, amassed over 5 floors of a large chateau in French-Switzerland, this remarkable property comprises over 2.5 tons of collections filling over 7 cubic metres and was consigned when our main catalogues had already "gone to press".

Due to lack of time the descriptions are very brief and the estimations very modest. We strongly encourage everyone to inspect the lots thoroughly as we are sure viewers will find many good items everywhere which we have had to pass over.

Note particularly the extensive sections:

Switzerland, France & Colonies, Russia, Germany, Europe & Overseas etc.

# Rarest Stamps of the World

Rarest items of the World on **Show in Monaco**, February 12-14, 1999  
at the prestigious new Stamp and Coin Museum of the Principality

This unrivalled exhibition with the participation and under the patronage of HSH Prince Ranier III will gather many of the greatest individual philatelic pieces of the world together for the first time in the history of philately.

The exhibits will comprise of only the star item from each collection. These unique rarities will come from many famous Grand Prix or internationally well known collections as well as the famous Postal Museums and the Royal Collection. They include some of the most valuable and greatest philatelic items in the world.

A de-luxe full colour luxury hardbound souvenir catalogue with a page of description for each item is being prepared and will become a greatly sought after publication in years to come.

At the same time there will be an International Philatelic Exhibition in the proximity of the Stamp and Coin Museum, to which 15 Postal Administrations and sixty stamp dealers have already confirmed their attendance.

**DO YOU HAVE** a Grand Prix,  
Large Gold Medal or Award-Winning collection?

**DO YOU THINK**  
you will sell your collection within the next 5 years?

**S**o if your answer to both these questions is "yes", then we invite you to 'phone  
or write to us personally to discuss the possibilities.

**T**aking account of the last 25 years, we have regularly offered many exceptional collections of  
Grand Prix and Large Gold status. We have often achieved results that have astonished the owners  
including world record prices. The auction of the KANAI MAURITIUS collection in Nov. 1993, bore  
undisputed witness to this fact. These 25 years of experience and achievements have established for us  
an organisation we believe second to none in the philatelic world.

**A** flexible yet most comprehensive range of activities permits us to relate our services to the needs and  
requirements of each important collection. But we also like to cater to the needs and requirements of  
its owner. Substantial cash advance facilities and flexible commission arrangements are part of our standard  
service.

**M**arketing - The selling of a well-known collection can always benefit from early planning, and a well  
defined strategy to ensure a successful result.

**P**reparation - Beautiful catalogues of high academic form and content,  
travelling exhibitions and worldwide promotion make each auction a major philatelic event.

**S**atisfaction - ask some of those who already have sold with us. Think it over and contact us at your  
convenience.

Special **Collections** Auction : Friday 19 February, 1998

### The **Chateau** Estate

Assembled over 40 years, amassed over 5 floors of a large chateau in French-Switzerland, this remarkable property comprises over 2.5 tons of collections filling over 7 cubic metres and was consigned when our main catalogues had already "gone to press".

Due to lack of time the descriptions are very brief and the estimations very modest. We strongly encourage everyone to inspect the lots thoroughly as we are sure viewers will find many good items everywhere which we have had to pass over.

Note particularly the extensive sections:

Switzerland, France & Colonies, Russia, Germany, Europe & Overseas etc.

## Special **Collections** Auction : Friday 19 February, 1998

### The **Chateau** Estate

Assembled over 40 years, amassed over 5 floors of a large chateau in French-Switzerland, this remarkable property comprises over 2.5 tons of collections filling over 7 cubic metres and was consigned when our main catalogues had already "gone to press".

Due to lack of time the descriptions are very brief and the estimations very modest. We strongly encourage everyone to inspect the lots thoroughly as we are sure viewers will find many good items everywhere which we have had to pass over.

Note particularly the extensive sections:

Switzerland, France & Colonies, Russia, Germany, Europe & Overseas etc.

## The **Chateau** Estate

Assembled over 40 years, amassed over 5 floors of a large chateau in French-Switzerland, this remarkable property comprises over 2.5 tons of collections filling over 7 cubic metres and was consigned when our main catalogues had already "gone to press".

Due to lack of time the descriptions are very brief and the estimations very modest. We strongly encourage everyone to inspect the lots thoroughly as we are sure viewers will find many good items everywhere which we have had to pass over.

Note particularly the extensive sections:

Switzerland, France & Colonies, Russia, Germany, Europe & Overseas etc.

		<b>I. Earliest Impression</b>		
31946	☉	1d Orange vermillion HUGE MARGINS from top right corner of sheet, cancelled neat 12-bar grid, absolutely outstanding quality - the FINEST single example we have seen of the earliest Impression: top British Empire Rarity! Cert. BPA	13	30000

## I. Earliest Impression

- 31947 ① 1d, BLOCK OF SIX (3 x 2), pos.1-6, bright-vermilion, large margins all round except just lower left corner, canc. "1" (Mahébourg) in BLUE (rare) and a portion of red London date-stamp applied in transit. Extremely fine for such a multiple. 11 80000

On the reverse of the block we can see the outline of the flap of the original envelope to which it had been affixed, which is therefore not a crease.

This spectacular block in its rich bright shade clearly shows, amongst other characteristics of the earliest impression the "sticky print" and uneven inking of the beginning period.

"The impression is so early that if the paper was yellowish it would undoubtedly classify as the earliest" (Burrus 1968) We now know that several different papers were used at the same time and can confirm without doubt that this block is from the EARLIEST impression.

"After very careful thought and examination I am convinced this block is an Earliest. There is also an amazing DOUBLE PRINT of the design best seen at lower right". (Rudge)

This is the LARGEST KNOWN MULTIPLE of the Earliest impression and of the entire Post Paid issue.

An item of phenomenal importance.

Cert. RPS (1969) & BPA (1994), Ex. Hind "superb and rare", Burrus "remarkably fine condition", Kanai (SG £78'000+)

- 31954 ① 2d On greyish paper, good to large margins at right, from pos.3/1 showing the PENOE variety. The impression may well be a late intermediate though the BPA cert. states "worn", very fine and desirable stamp. (SG 20a ?) light gum crease 249 1500

32058	(*)	4d Lithographed imperf PART VERTICAL STRIP OF THREE on small fragment, with bottom part stamp being the FAMOUS INVERTED FRAME error.	3B	14 50000
-------	-----	--	----	----------

The variety occurs on Row 5 pos.8 on the original stone. The part strip is cancelled by an oval of bars.  
This item was originally found by F.B.Smith, a London dealer in 1937, and trace of it had been lost ever since UNTIL NOW. The L.N. & M. Williams "Famous Stamps" published in 1946 records the following:

"The 'Inverted Swan' has not yet been found in a pair with a normal specimen, but during 1937 a remarkable find was made at the office of a well-known dealer in the Strand, London. While going through some old stamps in a box of rubbish, one of the assistants found a portion of a normal 4d stamp with about one-third of the next stamp adjoining. That one-third was sufficient to show that the frame was inverted in comparison with the normal stamp.  
For a few moments the assistant gazed spell-bound at the find scarcely able to believe his eyes; then he reported the discovery to his principal. Within a few minutes the office was in a turmoil, for the entire staff had been delegated to the task of making a microscopic search through the box in the hope of finding the missing portion of the 'Inverted Swan'.

As far as that was concerned the search proved fruitless, but it did bring to light another piece of the normal stamp together with a substantial part of the specimen above it (together with part of the Inverted Frame stamp below), thus forming a damaged vertical strip of three. The discovery proved beyond all shadow of doubt that the Inverted Swan really is an inverted frame".

This is the only multiple known of the Inverted Swan and, apart from the complete printing plate in the Western Australia Museum, it is the only item confirming both position and frame error.

An extraordinary and unique item not seen on the market for over 60 years.

# Conditions of Sale English

## BIDDERS - VERY IMPORTANT

1. "OFFER" indicates that the estimation is left to the discretion of bidders in view of the quantity, special character or quality of a lot.
2. Bids should be, in most cases, above the estimate to have a good chance of success.
3. If you cannot attend the auction personally, please send us your bids as early as possible. All bids are treated with the greatest discretion and in your best interest, as if you were in the auction room. The knocking down of a lot will be done at the lowest possible price, and not necessarily at your highest bid. For example, on a lot EST. SF 200, you bid SF 400, and the best bid beneath yours is SF 300, you will obtain the lot at the next bid which is, in this case, SF 320.
4. The auction takes place in many languages, depending on the attendance of the room.

## CONDITIONS OF SALE

This auction takes place publicly. Participation means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the sale. DAVID FELDMAN S.A., organiser of the auction, acts as an agent only and is not liable for any default(s) of purchaser(s) and/or vendor(s).

### 1. THE AUCTION LOTS ARE OFFERED

**1.1 As presented in the auction catalogue:** Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centring, postmarks and all other visible attributes. The description of the lots mentions if the items are signed by recognised experts and/or accompanied by expert certificates.

**1.2 As viewed:** Before and during the auction sale, all lots may be examined as scheduled in the auction catalogue. Persons attending the auction and/or who have viewed any lots before the auction and/or bidders' representatives and auction agents are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

### 2. AUCTION BIDS

**2.1** The auction bidding steps are as follows:

Sfr. 50 - 100	Sfr. 5	Sfr. 2000 - 5000	Sfr. 200
Sfr. 100 - 200	Sfr. 10	Sfr. 5000 - 10000	Sfr. 500
Sfr. 200 - 500	Sfr. 20	Sfr. 10000 - 20000	Sfr. 1000
Sfr. 500 - 1000	Sfr. 50	Sfr. 20000 - 50000	Sfr. 2000
Sfr. 1000 - 2000	Sfr. 100	Sfr. 50000 - 100000	Sfr. 5000

Bids in-between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

**2.2** DAVID FELDMAN S.A. is authorised to bid for clients in accordance with their bidding instructions. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices.

**2.3** Written bid orders received by DAVID FELDMAN S.A. before the auction sale have priority over room bids in every case. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the printed estimate price. Bids must be in Swiss francs. Bids made in other currencies will be converted into Swiss francs at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

### 3. THE AUCTION

**3.1** The auction will be held under the control of the relative city council as supervising authority. The participating head of council, the council and the county refuse any liability.

**3.2 Prerogatives of David Feldman S.A.:** DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot of this sale. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or to refuse admittance to the auction room, at its discretion, to anybody whosoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises of the auction.

**3.3 Bidders' representatives and auction agents:** Any person bidding for the account of a third party is fully liable for any obligation arising from this auction. This responsibility is notably applicable for the verification of the condition and for the payment of bought lots.

**3.4 Adjudication:** Each lot is sold on behalf of the respective owner to the highest bidder. In addition to the sale price, the buyer pays a commission of 15%. On the fall of the gavel, liability for the knocked-down lots passes to the bidder whose bids have been accepted. The lots are given to the buyer when the sale price and commission are paid in full.

### TVA (Sales Tax) - Notes for guidance:

Buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to TVA at 6.5% of the purchase price.

**3.5 Payment:** In the case of buyers attending in person, sale price plus commission are due for immediate payment in Swiss francs against delivery of the lots. Payment in foreign currencies is accepted at the rates of exchange of the day as quoted by one of the principal banks. The mail bidders who were successful and the buyers attending the auction in person with whom it has been expressly agreed that they pay after the sale, are due to pay the sale price and the commission on receipt of the auction invoice. In these cases, DAVID FELDMAN S.A. keeps the adjudicated lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer.

**3.6 Special credit facility:** DAVID FELDMAN S.A. may offer a special credit facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice on receipt, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special credit facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

**3.7 Pledge:** Until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after this auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

### 4. GUARANTEE

**4.1 Extent of the guarantee:** Subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from the auction date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. The results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within 3 months of the auction date. No further extension of the period will be considered without the express agreement in writing of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

**4.2 Expertise and counter-expertise:** Should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert taking financial responsibility for errors to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertises. All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the adjudication price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% the standard rate for all cleared lots. If David Feldman S.A. has not agreed then full interest is due.

**4.3 Exclusions:** Lots described as collections, accumulations, selections, groups and those containing duplicates, cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot.

**4.4 Late Payment:** If the payment of the adjudicated price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses. An annual charge on overdue payment of at least 16% plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

### 5. APPLICABLE LAW AND JURISDICTION

**This auction as well as any rights and obligations arising therefrom shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to this auction shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne.**

In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable.

Vor der Zustellung, die nach der 30-Tage-Frist erfolgen kann, können die entstandenen philatelistischen Artikel bei DAVID FELDMAN S.A. besichtigt werden. Ein Käufer, dessen Reklamation nach der Frist von 30 Tagen ab Versteigerungsdatum bei DAVID FELDMAN S.A. eintrifft, verliert jegliches Anrecht auf die Garantie. In diesem Fall wird die Reklamation von DAVID FELDMAN S.A. nicht anerkannt. Wird im Falle einer Reklamation bezüglich der Echtheit eines philatelistischen Artikels eine Fristverlängerung benötigt, muss diese innerhalb 30 Tagen nach Versteigerungsdatum bei DAVID FELDMAN S.A. beantragt werden. Kein solcher Antrag, welcher nach dieser 30-Tage-Frist bei DAVID FELDMAN S.A. eintrifft, wird in Betracht gezogen. Die Prüfergebnisse, für deren Einholung eine Fristverlängerung gewährt wurde, müssen bei DAVID FELDMAN S.A. innerhalb von 3 Monaten nach dem Versteigerungsdatum vorliegen. Eine weitere Fristverlängerung kann nur mit schriftlicher Einwilligung von DAVID FELDMAN S.A. gewährt werden. Nur diejenigen Reklamationen, Prüfergebnisse sowie andere Mitteilungen, die innerhalb der vorgeschriebenen Fristen eintreffen, werden von DAVID FELDMAN S.A. in Betracht gezogen.

**4.2 Atteste und Gegenatteste:** Bei Echtheitszweifeln obliegt es dem Käufer, als Rechtfertigung seiner Reklamation ein Attest oder Gegenattest von einem für das betreffende Sammelgebiet anerkannten Prüfer beizulegen. Wird eine Marke von einem anerkannten und für Internet-haftenden Prüfer als falsch erkannt, kann er sie entsprechend kennzeichnen. Das Zeichen FALSCH gilt dabei nicht als Veränderung. Bei derartigen Reklamationen behält DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prüfkosten und dienstbezogene Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, andernfalls jedoch zu Lasten des Käufers. Bei gerechtfertigter Beanstandung wird das Los zurückgenommen und die Zuschlagssumme sowie Aufgeld an den Käufer zurückerstattet. Falls infolge einer Expertise, mit Übereinstimmung der David Feldman S.A. Zahlungsverzögerungen entstehen, werden 50% der üblicherweise belasteten Zinsen auf jedes Los, dessen Echtheit einwandfrei bewiesen ist erhoben. Ansonsten werden die Standardzinsen berechnet.

**4.3 Begrenzung:** Lose, die als Sammlungen, Sammellose, Dublettenposten oder Anhäufungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Losen, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtaufwerts des entsprechenden Loses darstellen.

**4.4 Zahlungsverzug:** Geht die Zahlung der Zuschlagssumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behält DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschäft aufzuheben und über die Lose anderweitig zu verfügen und/oder auf Zahlung des Kaufpreises und Schadenersatz zu klagen. ## INFORMATIONS IMPORTANTES A L'INTENTION DES ENCHERISSEURS

1. La mention "OFFRE" indique que l'estimation est laissée à la discrétion des enchérisseurs en raison de la quantité des timbres regroupés dans le lot ou du caractère exceptionnel de ceux-ci.
2. Dans la plupart des cas, les offres devraient être supérieures à l'estimation pour avoir de bonnes chances de succès.
3. Si vous ne pouvez pas participer à la vente personnellement, veuillez nous faire parvenir vos offres par écrit le plus rapidement possible. Nous nous occupons de toutes les enchères avec la plus grande discrétion et veillons à la sauvegarde de vos intérêts, comme si vous étiez dans la salle de vente. L'adjudication se fait au prix le plus bas possible et non pas nécessairement au maximum de votre offre écrite. Par exemple, vous faites une offre de Sfr. 400 pour un lot dont l'estimation est de Sfr. 200 et pour lequel la meilleure offre que nous ayons, à part la vôtre, s'élève à Sfr. 300, ainsi vous obtiendrez le lot au prix de la surenchère suivante, c'est-à-dire au prix de Sfr. 320.
4. La vente se déroule dans diverses langues, en fonction des exigences des enchérisseurs.

## CONDITIONS GENERALES APPLICABLES A LA VENTE AUX ENCHERES

La présente vente aux enchères est publique et la participation à celle-ci implique une adhésion totale aux conditions décrites ci-dessous ainsi qu'aux droits et obligations qui en découlent. Ces mêmes conditions sont applicables à toute transaction en relation à des pièces ou des lots faisant partie de la vente aux enchères et conclue en dehors de celle-ci. La Maison DAVID FELDMAN S.A., organisatrice de la présente vente aux enchères, agit exclusivement comme mandataire et n'assume donc aucune responsabilité quelconque en cas de manquement(s) des acheteurs et/ou vendeurs.

### 1. LES LOTS SONT MIS EN VENTE

**1.1 Sur la base de leur présentation dans le catalogue:** Les lots sont décrits avec le plus grand soin sans toutefois engager la responsabilité de la Maison DAVID FELDMAN S.A. Les photographies font partie intégrante des descriptions pour ce qui est des marges, du centrage, des oblitérations et de toute autre qualité apparente. La description des lots mentionne si les pièces sont signées par des experts et/ou sont accompagnées de certificats d'expertise.

**1.2 Sur la base de leur examen sur place:** Tous les lots peuvent être examinés, avant et pendant la vente, aux horaires indiqués dans le catalogue de vente. Les acheteurs ayant examiné les lots avant la vente et/ou y participant personnellement et/ou y étant représentés, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue.

### 2. LES OFFRES D'ENCHERES

**2.1** Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante:

Sfr. 50 - 100	Sfr. 5	Sfr. 2000 - 5000	Sfr. 200
Sfr. 100 - 200	Sfr. 10	Sfr. 5000 - 10000	Sfr. 500
Sfr. 200 - 500	Sfr. 20	Sfr. 10000 - 20000	Sfr. 1000
Sfr. 500 - 1000	Sfr. 50	Sfr. 20000 - 50000	Sfr. 2000
Sfr. 1000 - 2000	Sfr. 100	Sfr. 50000 - 100000	Sfr. 5000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

**2.2** DAVID FELDMAN S.A. est autorisée à enchérir pour le compte d'acheteurs qui lui font parvenir des offres d'enchères écrites. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si un vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme un acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés.

**2.3** Les offres d'enchères écrites reçues par DAVID FELDMAN S.A. avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données "à acheter" sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en francs suisses. Les offres d'enchères libellées en d'autres monnaies seront converties en francs suisses au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

### 3. LA VENTE AUX ENCHERES

**3.1** La vente aux enchères se déroule sous le contrôle de l'autorité compétente qui n'assume cependant aucune responsabilité quelconque de ce chef.

**3.2 Prerogatives de David Feldman S.A.:** La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

**3.3 Représentants et Agents de Vente aux Enchères:** L'enchérisseur qui agit pour le compte d'un tiers engage son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

**3.4 L'adjudication: Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. Une commission de 15% est facturée en sus du prix d'adjudication par la Maison DAVID FELDMAN S.A. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat et de la commission due.**

### TVA (Taxe à la vente) - Note indicative:

Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens; dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation d'importation signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 6.5% sur le prix d'achat.

**3.5 Paiement:** Les adjudicataires présents sont tenus de payer comptant en francs suisses le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en monnaies étrangères est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquiescer les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots adjugés qui ne seront remis à leurs acheteurs qu'à réception par la Maison DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste, dans tous les cas à ses frais; la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit, les frais d'assurance étant également à la charge de l'acheteur.

**3.6 Facilités de paiement:** La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt annuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est déduit chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

**3.7 Droit de gage:** Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

### 4. GARANTIE

**4.1 Etendue de la garantie:** Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Les résultats de l'expertise pour laquelle un délai a été accordé doivent parvenir à DAVID FELDMAN S.A. dans les trois mois à compter de la date de la vente aux enchères. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

**4.2 Expertise ou contre-expertise:** Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes "FAUX" ou "FALSIFIE" ne constituent pas alors une altération du lot. En présence d'une telle réclamation la Maison DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

**4.3 Limites de la garantie:** Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot.

**4.4 Paiement tardif:** Si le paiement du prix d'achat et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, la Maison DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du(les) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir le paiement des montants dus et/ou d'éventuels dommages-intérêts. Un intérêt + frais moratoire de 16% l'an sera perçu sur toute somme due par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation tel que prévu sous chiffre 4 ci-dessus.

### 5. DROIT APPLICABLE ET FOR COMPETENT

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, la Maison DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable.

## Special **Collections** Auction : Friday 19 February, 1998

### The **Chateau** Estate

Assembled over 40 years, amassed over 5 floors of a large chateau in French-Switzerland, this remarkable property comprises over 2.5 tons of collections filling over 7 cubic metres and was consigned when our main catalogues had already "gone to press".

Due to lack of time the descriptions are very brief and the estimations very modest. We strongly encourage everyone to inspect the lots thoroughly as we are sure viewers will find many good items everywhere which we have had to pass over.

Note particularly the extensive sections:

Switzerland, France & Colonies, Russia, Germany, Europe & Overseas etc.
