BIDDERS - VERY IMPORTANT

- 1. "OFFER" indicates that the estimation is left to the discretion of bidders in view of the quantity, special character or quality of a lot.
- 2. Bids should be, in most cases, above the estimate to have a good chance of success.
- 3. If you cannot attend the auction personally, please send us your bids as early as possible. All bids are treated with the greatest discretion and in your best interest, as if you were in the auction room. The knocking down of a lot will be done at the lowest possible price, and not necessarily at your highest bid. For example, on a lot 6st.SFr. 200, you bid SFr. 400, and the best bid beneath yours is SFr. 300, you will obtain the lot at the next bid which is, in this case, SFr. 320.
- 4. The auction takes place in many languages, depending on the attendance of the room.
