In order to align with our new Internet structure and accounting policy, buyers' commission on Live Room auctions is from now on 17.5% which includes all postage, packing, export formalities and insurance for purchased lots to all destinations. Buyers' invoices will now be much simpler with the one flat fee and no other auction charges. We believe buyers prefer this system.

Introduction

The David Feldman company is generally recognized as the world leader in auctions of Middle East properties. Having an established reputation for the finest collections over 25 years the company can once again present a first class offering in this catalogue of major importance for Egypt, Iraq, Syria, Lebanon and Persia, and some nice offerings of Saudi Arabia and other territories.

Dr. Byam is probably the most legendary name and most notable pioneer in Egypt philately. The award winning collections herewith offered includes many well known and rare "Byam" pieces, not to mention those of some of his successors - Antonini, Fikry etc. The focus of the 582 Egypt lots is predominately in the issues of 1866 through the next three pyramid issues with many important postal history items, in particular the 1866 5pi and 2pi cover to Luxor and an amazing array of the 1867 5pi with mint & used blocks, including four covers or fronts.

Persia is notable through one collection presenting over 150 individual lots of the famous Lion issues with many items of well-known pedigree such as Dadkhah, Korshid, Joseph, Farahbakhsh & Shargi.

Then comes the unique Bodo Hartmann collection, simply too important and valuable in research and completeness to break down, so it is offered intact in 36 albums!

Iraq is outstanding with early Ottoman period to modern with extensive specialised studies. This represents one of the most valuable Iraq offerings to appear on the market in decades.

The second part of the Aharonian collections of Syria and Lebanon ensure a careful balance of this whole auction for the region.

When I began with David Feldman over 20 years ago, I was handed areas difficult and less interesting as far as traditional European philately was concerned at the time - such as Middle East.

Things have changed. Middle East countries are enormously popular worldwide and my responsibilities grew in parallel.

All that said, this offer is probably one of the finest I have put together in the company to date. I'm sure all serious Middle East collectors will be participating and perhaps competing for material in this catalogue which may not be seen again for many years.

Egypt Study Circle

The Egypt Study Circle was founded in 1935 by the late Dr. William Byam and twenty-three other enthusiastic students of the stamps & postal history of Egypt & the Sudan. Today there are more than 200 members world-wide, in twenty different countries. We have agents in Egypt & the United States of America.

The circle has six meetings a year, on Saturday during alternate months, January, March, etc., which are devoted normally to a single topic. This may be on a single stamp, issue or a postal history theme, Undoubtedly the best way to increase one's knowledge & interest in Egyptian philately is to attend some of these meetings.

The Circle publishes its own magazine, 'THE QUARTERLY CIRCULAR', which is normally published four times a year and is the corner stone of the Circle. The 'QC' has in the past won medals at international level. It contains articles and notes, and members are encouraged to send queries for publication.

The Circle has an expert committee and issues its own certificates at a small cost.

The essence of the Circle is the numerous studies undertaken by its members on the many aspects of Egyptian philately.

The annual subscription is currently St.£ 12.50 that is due on 1st January each year.

Any person interested in joining the EGYPT STUDY CIRCLE should write to its Secretary;

Mr. Alan Jeyes,
4 Ravine Court, Meridan Close, Canford Cliffs, Poole, Dorset, BH13 7JU, England

Egyptian Agent: Prof.N.El Hadidi, Cairo University, Giza, Egypt

1865

The government of Persia accepted Mr. M. Barre's design. There is a similarity in the design of these essays with Mr. Reister's design in so far as the "Arms of Persia" motif, the Lion and Sun, were used in both submissions. Was this coincidence?

Barre's accepted essay had five different types or 'cliches' and these constituted the basic dies for all the Lion issues.

The illustration below shows how the plates were aligned in five rows and clamped to form a master plate of twenty stamps. This, with two impressions taken from this, and a space of 11.5 to 12 mm, a Tete-Beche was formed.

Barre Essays in 1, 2, 4, and 8, Shahi values, in four different colours. The 4 and 8 Shahi values are the least common.

While the First Lion issues with their classic beauty & individuality have eternally captured the imagination and interest of discerning philatelists, it is only comparatively recently that their perforated contemporaries and later issues have attracted the attention that they merit. Perhaps this prior lack of popularity has stemmed from the abundance of reprints, remainders, forged overprints, unofficial and bogus emissions, it is therefore important to stress that all the items in the collections are offered strictly as genuine in every respect unless otherwise stated. Bidders may be further reassured by the fact that many of the rarities offered are from such famous collections as those formed by Farahbakhsh, Dadkhah, Khorshid, Oldfield, Napier, Joseph & Lewis.

The owner of this collection is a passionate connoisseur of the stamps & postal history of Persia. Over the past 60 years he has put together 36 volumes which illustrate the history of Persia through the posts, from 1825 through to 1999. The collection has been extensively researched the results of which birthed a two volume publication based on his own collection which is considered the "Bible of Persian Philately".

The strength of the collection is in the postal history from the very early Missionary letters of 1825 & early Austrian Consular mail, through the British Field Force in Persia period & on to the famous Lion issues. These Lion issues are well represented, with a study of the various different types, proofs, essays & usages on envelopes.

The period from 1876-1930 is perhaps the most difficult period of Persian philately with much misinformation. This is in fact the strength of the collection, with owner's 60 years of experience in the market, which has enabled him to put together this remarkable collection. The strength of this part of the collection lies in the genuine nature of the vast array of overprints & surcharged issues on & off envelopes, plus the remarkable array of specialised material including, postage dues, postal stationery, envelopes with a wealth of city, town & rare village postmarks, bisect usages, censored mail, Official & Royal mail & the rare mixed frankings, especially with Persia & Russian adhesives.

The final part being 1930 to date is full of interesting stamps with a host of modern varieties, postal history with much fascinating material from the modern period including wartime mail & censored mail.

No collection would be complete without the research material, hence, this collection contains a vast library of information drawn from the first publication on Persian philately from the early part of the 20th century to hundreds of articles & clippings.

The collection has been divided into the following sections with appropriate descriptions, estimates & photographs to help the future buyer.

Total Estimate Sfr.150'000/200'000

Gesandtschafts-Kurier-Post

Brief des österr. Botschafters in Teheran, Graf Dubsky an Grafen Thun in Bismarck, vom 18.5.1875, befördert durch Kurier-Post über Wien.

Dieser Brief mit Stempel "TEHERAN 20.5.1875 10.F." (10 Uhr früh) ist ein "Unikat". Es handelt sich um die Adresse des Stempels, den Botschafter von St. Petersburg, um seinen zusammen mit anderen "Minister-Reservaten" wie Briefkästen, mehrere Leinwandtaschen u. Leinwandbeutel, Fruchtkorb, Schalen, Messer, Beutelmesser u. Scheren nach Teheran angedacht hatte, die aber erst im April 1875 dort ankamen. Er hat dann offenbar diesen Stempel ohne Bewilligung oder Befugnis auf Briefen der österr. Kurier-Post aufgebracht.

Es gibt aber dennoch Stempel fremder Länder, die in der Vorbriefmarkenzeit verwendet wurden. So vor allem der Stempel "FIELD FORCE PERSIA" des englischen Expeditionskorps im Jahre 1857.

Dez. 1857 Brief nach Schiras mit "bonring"-Stempel, d. h. Porto unbezahlt. Dies ist die häufigere Form, da der Transport insoweit sicherer war als die Bezahlung erst beim Empfänger erfolgte.

Mai 1857 Brief von Belgawan (Indien) nach Bushire u. Wokanjerah am Pers. Golf und zurück. Der "Field Force"-Stempel wurde in Persien aufgebracht und zwar ein "paid"-Stempel, also Porto bezahlt, die seltenere Form.

Solange Persien noch nicht dem Weltpostverein angeschlossen war, wurden Briefe ins Ausland aufgrund außerordentlicher Verhandlung mit Russland und persischer russischer Missionen verschickt. Aber die Gewerke Drucken u. die dortige russische Postamt oder von Zürich aus mit russischen Drucken befördert. Dargestellt können aber zunächst Briefe, die Russland nach Persien nur durch die russische Legations-Kurier von Djoufa nach Teheran u. Teheran befördert worden u. andere Anstandspost durch deren diplomatische Kurieren, im Artikel I des Schlussprotokolls zu dem am 1.6.1878 in Paris abgeschlossenen Konvention. In diesem Protokoll wird, dass Persien das nicht bestritten war, dass der Vertrag später unterzeichnet werden konnte, wenn es seinen Beitrag vor dem 1.4.1879 bei der Schweizer Regierung erklärt. Diese Erklärung wurde von Generalpostdirektor Riederer am 15.2.1878 abgegeben.

IEF 'D' PROVISIONALS FOR MOSUL DISTRICT

Following the surrender of the Turkish army the Villages of Baghdad and Mosul were administered by the British. However the situation in the Vilayet of Mosul remained undecided, both the French and the British claiming responsibility. One result was that a special issue of provisionals was made for use there, various Turkish Lira banknotes being overprinted for use as IEF 'D' and exchanged with a value in annas. These were issued on 1 February 1915, the first in British Occupation provisionals being withdrawn on that date.

The responsibility for the Vilayet was shared by the British under the Sykes-Picot agreement in 1916. The Mosul provisionals remained in use in the Diyarbakir until 1921 being replaced by the British Occupation issue as stocks were exhausted. They were eventually cancelled on 1 September 1922.

8 April 1915. Represented letter from Mosul to Karachi. Turkish 10 annas, it has three 8 annas provisionals on the reverse. Obtained by the Mosul Reg. station, document which is recorded under 1915 and 1922.

14 December 1919. To the Branch of the Imperial Ottoman Bank in Tarrabona. Routed via Baku, Port Taffiq and Calais.

Although military emergency had virtually ceased with the ending of the war in November 1918 this has the 'Paisé Censor D' marking as it was addressed to former enemy territory.

Conditions of Sale English

DAVID FELDMAN S.A. CONDITIONS OF SALE

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

1. THE AUCTION LOTS ARE OFFERED

1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website: Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The description of the lots mentions if the items are signed by recognised experts and/or accompanied by expert certificates.

1.2 As viewed in person: Before and during auction sales, all lots may be examined at our offices or at the auction location as scheduled in the auction catalogue and on the website. Persons or their agents attending a Live Room auction and/or who have viewed lots before any auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

2. AUCTION BIDS

2.1 The auction bidding steps for all auctions are as follows: (some auctions may be in other currencies than Swiss Francs)

SFr	50	-	100	SFr	5	SFr	2000	-	5000	SFr	200
SFr	100	-	200	SFr	10	SFr	5000	-	10000	SFr	500
SFr	200	-	500	SFr	20	SFr	10000	-	20000	SFr	1000
SFr	500	-	1000	SFr	50	SFr	20000	-	50000	SFr	2000
SFr	1000	-	2000	SFr	100	SFr	50000	-	100000	SFr	5000

Bids in between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

2.2 The Huisier Judiciaire together with DAVID FELDMAN S.A. have full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf upto reserve prices. If the reserve price fixed by the vendor is not reached the auctioneer passes to the next lot by a simple knock of the hammer.

2.3 Bid orders received by DAVID FELDMAN S.A. or on its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction, will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

3. THE AUCTION

3.1 Live Room auctions are held under the control of the relative supervising authority at its location. The relative supervising authority has no liability. The auction will be held under the ministry of a "huissier judiciaire" of the Canton and Republic of Geneva.

3.2 Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whatsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place.

3.3 Bidders' representatives and auction agents: Any person bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of bought lots.

3.4 Adjudication: Each lot is sold on behalf of the respective owner to the highest bidder at the next highest bid step. In addition to the sale price, the buyer pays a commission, of 17.5% postage (except lots marked #), packing, export formalities and insurance inclusive. On the adjudication, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the sale price and commission are paid in full.

TVA (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland:

Buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to TVA at 7.6% of the purchase price.

3.5 Payment: Sale price plus commission are due for immediate payment as invoiced against delivery of the lots. Payment in foreign currencies is accepted at the rates of exchange of the day as quoted by a major bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price and the commission according to those terms. In these cases, DAVID FELDMAN S.A. keeps the adjudicated lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer.

3.6 Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

3.7 Pledge: Until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

4. GUARANTEE

4.1 Extent of the guarantee: Subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid if an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. The results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within 3 months of the auction date. No further extension of the period will be considered without the express agreement in writing of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

4.2 Expertise and counter-expertise: Should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert. Taking financial responsibility for errors to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertises. All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the adjudication price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% the standard rate for all cleared lots. If David Feldman S.A. has not agreed then full interest is due.

4.3 Exclusions: Lots described as collections, accumulations, selections, groups and those containing duplicates, cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot.

4.4 Late Payment: If the payment of the adjudicated price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

5. APPLICABLE LAW AND JURISDICTION

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable.

Conditions de Vente Français

DAVID FELDMAN SA CONDITIONS DE VENTE

La participation dans l'une des ventes aux enchères de David Feldman SA implique une adhésion totale aux conditions décrites ci-dessous ainsi qu'aux droits et obligations qui en découlent. Ces mêmes conditions sont applicables à toute transaction en relation à des pièces ou des lots faisant partie de la vente aux enchères et conclue en dehors de celle-ci. La Maison DAVID FELDMAN S.A., organisatrice de la présente vente aux enchères, agit exclusivement comme mandataire et n'assume donc aucune responsabilité quelconque en cas de manquement(s) des acheteurs et/ou vendeurs.

1. LES LOTS SONT MIS EN VENTE

1.1 Sur la base de leur présentation dans le catalogue et/ou sur le site internet: Les lots sont décrits avec le plus grand soin sans toutefois engager la responsabilité de la Maison DAVID FELDMAN S.A. Les photographies font partie intégrante des descriptions pour ce qui est des marges, de la dentelure, du centrage, des oblitérations et de toute autre qualité apparente. La description des lots mentionne si les pièces sont signées par des experts et/ou sont accompagnées de certificats d'expertise.

1.2 Sur la base de leur examen: Tous les lots peuvent être examinés, avant et pendant la vente dans nos bureaux ou à l'endroit de la vente, aux horaires indiqués dans le catalogue de vente ou sur notre site Internet. Les acheteurs ayant examiné les lots avant la vente et/ou y participant personnellement et/ou y étant représentés, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue.

2. LES OFFRES D'ENCHERES

2.1 Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante: (la monnaie peut changer selon la vente: aux enchères)

Sfr. 50 - 100	Sfr. 5	Sfr. 2000 - 5000	Sfr. 200
Sfr. 100 - 200	Sfr. 10	Sfr. 5000 - 10000	Sfr. 500
Sfr. 200 - 500	Sfr. 20	Sfr. 10000 - 20000	Sfr. 1000
Sfr. 500 - 1000	Sfr. 50	Sfr. 20000 - 50000	Sfr. 2000
Sfr. 1000 - 2000	Sfr. 100	Sfr. 50000 - 100000	Sfr. 5000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

2.2 L'huissier ou le crieur a le droit d'avancer les enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français mais les enchères pourront être répétées en anglais. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la crie du lot suivant par un simple coup de marteau.

2.3 Les offres d'enchères écrites reçues par David Feldman SA ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données "à acheter" sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en francs suisses. Les offres d'enchères libellées en d'autres monnaies seront converties en francs suisses au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

3. LA VENTE AUX ENCHERES

3.1 La vente en direct se déroule sous le contrôle de l'autorité compétente qui n'assume cependant aucune responsabilité. La vente aux enchères se déroule sous le ministère d'un "huissier judiciaire" de la République et Canton de Genève.

3.2 Prerogatives de David Feldman S.A.: La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

3.3 Représentants et Agents de Vente aux Enchères: L'enchérisseur qui agit pour le compte d'un tiers engage son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

3.4 L'adjudication: Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. Une commission est facturée en sus du prix d'adjudication par David Feldman SA. Celle-ci est de 17.5% et comprend emballage, frais de port (sauf les lots marqués d'un #), formalités douanières et assurance. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat et de la commission due.

TVA (Taxe à la vente) - Note indicative concernant les ventes aux enchères dont les lots se trouvent en Suisse:

Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens, dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 7.6% sur le prix d'achat.

3.5 Paiement: Les adjudicataires présents sont tenus de payer comptant en francs suisses le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en monnaies étrangères est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquiescer les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots adjugés qui ne seront remis à leurs acheteurs qu'à réception par la Maison DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste, dans tous les cas à ses frais; la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit, les frais d'assurance étant également à la charge de l'acheteur.

3.6 Facilités de paiement: La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt mensuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est déduit chaque mois au compte du client. En cas d'oubli de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

3.7 Droit de gage: Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

4. GARANTIE

4.1 Etendue de la garantie: Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Les résultats de l'expertise pour laquelle un délai a été accordé doivent parvenir à DAVID FELDMAN S.A. dans les trois mois à compter de la date de la vente aux enchères. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenues dans les délais seront pris en considération par DAVID FELDMAN S.A.

4.2 Expertise ou contre-expertise: Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence, les signes "FAUX" ou "FALSIFE" ne constituent pas alors une altération du lot. En présence d'une telle réclamation la Maison DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

4.3 Limites de la garantie: Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot.

4.4 Paiement tardif: Si le paiement du prix d'achat et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, la Maison DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer (du/des) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir le paiement des montants dus et/ou d'éventuels dommages-intérêts/ou le remboursement de tous frais judiciaires. Un intérêt + frais moratoire de 16% l'an sera perçu sur toute somme due par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation tel que prévu sous chiffre 4 ci-dessus.

5. DROIT APPLICABLE ET FOR COMPETENT

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, la Maison DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable.

Do you have
a Grand Prix, Large Gold Medal or Award-Winning collection?

Do you think
you will sell your collection within the next 5 years?

So if your answer to both these questions is "yes", then we invite you to phone or write to us personally to discuss the possibilities.

Taking account of the last 25 years, we have regularly offered many exceptional collections of Grand Prix and Large Gold status. We have often achieved results including world record prices that have astonished the owners. The auction of the KANAI MAURITIUS collection in Nov. 1993, bore undisputed witness to this fact. These 25 years of experience and achievements have established for us an organisation we believe second to none in the philatelic world.

A flexible yet most comprehensive range of activities permits us to relate our services to the needs and requirements of each important collection. But we also like to cater to the needs and requirements of its owner. Substantial cash advance facilities and flexible commission arrangements are part of our standard service.

Marketing - The selling of a well-known collection can always benefit from early planning, and a well defined strategy to ensure a successful result.

Preparation - Beautiful catalogues of high academic form and content, travelling, exhibitions and worldwide promotion make each auction a major philatelic event.

Satisfaction - Ask some of those who already have sold with us. Think it over and contact us at your convenience.
