# ROOMS OF OLYMPIC CLUB.

MAY 27th, 1884

The Annual Meeting of the Olympic Club will be held at their grounds, corner Fourteenth and Center streets, Oakland, on Friday, May 26th, 1884, commencing at 1 o'clock, sharp, and finishing at 4 o'clock. By taking the 12 o'clock boat you will arrive on the grounds at ten minutes of one. This meet will be unusually interesting, as it will bring together, in friendly competition, the best amateur foot and bicycle racers on the coast. E. S. Haly will respond, as a competitor, for the first time in about a year and a half. M. K. Kittleson, the fast professional sprint runner, has volunteered to run an exhibition 220 yards to beat all existing records for that distance. The events number twenty-one, and the entries for each are from four to twenty. The Obstacle Race will no doubt be very amusing, as it will include a water jump, grassed poles, and swinging barrels. Don't fail to attend, and bring your friends, both ladies and gentlemen.

Very respectfully,

ATHLETIC COMMITTEE.

### Olympic Bell Model

The Berlin architect, Walter E. Teske, has now completed in his studio the model from which the Olympic Bell will be cast. The body of the bell stands approximately 7 feet 6 1/2 inches high, its crown 1 foot 1 inch, and the transverse beam from which it is suspended 3 feet 3 inches, whilst the clapper hangs out beneath for 2 feet 1 1/2 inches. Thus the total height is 14 feet. The diameter of the bell body at the lower edge is 9 feet, and the width of the beam just over 13 feet. Yet more impressive is the great weight of the bell, estimated at 12 tons, the clapper alone weighing 12 cwt. It took a ton of clay to form the casting-model. The material from which it is to be cast is steel, and the work will last 4 to 5 months. The bell will then be hung on the Leaning Tower, nearly 243 feet high, on the Assembly Ground of the Reich Sport Field in direct proximity to the Stadium. As is known, it will ring in the Olympic Games of 1936, wherefore it is inscribed: "Call the Youth of the World".

### Press Arrangements for the 1936 Games

If the Olympic Games are to achieve the success desired by their founders, that is, if they are to develop amongst the youth of all nations the understanding for the sporting ideal and at the same time through this ideal to awaken the feeling of solidarity, then the understanding cooperation of the world press is essential. The Organizing Committee for the Olympic Games in Berlin in 1936 has hitherto enjoyed this cooperation in full measure; it therefore regards it as its duty to do all in its power to lighten the task of the press. In the first place comes the allotment of places and facilities for work during the actual period of the Games. There will be two areas for press representatives on the main stand in the Olympic Stadium, in 100 more than at Los Angeles, half will be reserved for the German press, and the other half for the foreign press. However, as the sharing of press representatives might exceed the capacity of this accommodation, it is necessary that there should be a lifting of those to be admitted. The

## 1980 MOSCOW

20917 \*\*

LIECHTENSTEIN: Unissued marginal nh set of three values by Bruno Kaufmann, as follows:

40 000

SPORTPLATZ BALZERS 40c,

SCHWIMMBAD MUHLEHOLZ 70c

SPORTPARK ESCHEN-MAUREN 1.10F

Following Western countries boycott of the Moscow Games this issue was withdrawn and was never put on sale to the general public. However, a few issued sets were rightfully given to journalists just before the boycott came into effect. When the boycott was announced the Postal Authority requested the return of these sets and almost all recipients complied. The authorities then destroyed the entire stock.

This set is one and perhaps the only one that was not returned to the authorities. Following an exchange of correspondence, the Liechtenstein Postal and Police authorities have accepted this set to be free of any claim from them. Landpolizei letter of confirmation included.

Obviously the most valuable & elusive modern Olympic rarity

## **Do you have**

*a Grand Prix, Large Gold Medal or Award-Winning collection?*

## **Do you think**

*you will sell your collection within the next 5 years?*

**S**o if your answer to both these questions is "yes", then we invite you to phone or write to us personally to discuss the possibilities.

**T**aking account of the last 25 years, we have regularly offered many exceptional collections of Grand Prix and Large Gold status. We have often achieved results including world record prices that have astonished the owners. The auction of the KANAI MAURITIUS collection in Nov. 1993, bore undisputed witness to this fact. These 25 years of experience and achievements have established for us an organisation we believe second to none in the philatelic world.

**A** flexible yet most comprehensive range of activities permits us to relate our services to the needs and requirements of each important collection. But we also like to cater to the needs and requirements of its owner. Substantial cash advance facilities and flexible commission arrangements are part of our standard service.

**M**arketing - The selling of a well-known collection can always benefit from early planning, and a well defined strategy to ensure a successful result.

**P**reparation - Beautiful catalogues of high academic form and content, travelling, exhibitions and worldwide promotion make each auction a major philatelic event.

**S**atisfaction - Ask some of those who already have sold with us. Think it over and contact us at your convenience.

# Conditions of Sale English

## DAVID FELDMAN S.A. CONDITIONS OF SALE

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

### 1. THE AUCTION LOTS ARE OFFERED

**1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website:** Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The description of the lots mentions if the items are signed by recognised experts and/or accompanied by expert certificates.

**1.2 As viewed in person:** Before and during auction sales, all lots may be examined at our offices or at the auction location as scheduled in the auction catalogue and on the website. Persons or their agents attending a Live Room auction and/or who have viewed lots before any auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

### 2. AUCTION BIDS

**2.1** The auction bidding steps for all auctions are as follows: (some auctions may be in other currencies than Swiss Francs)

SFr. 50 - 100	SFr. 5	SFr. 2000 - 5000	SFr. 200
SFr. 100 - 200	SFr. 10	SFr. 5000 - 10000	SFr. 500
SFr. 200 - 500	SFr. 20	SFr. 10000 - 20000	SFr. 1000
SFr. 500 - 1000	SFr. 50	SFr. 20000 - 50000	SFr. 2000
SFr. 1000 - 2000	SFr. 100	SFr. 50000 - 100000	SFr. 5000

Bids in between these steps will be adjusted, accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

**2.2** The Huissier Judiciaire together with DAVID FELDMAN S.A. have full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached the auctioneer passes to the next lot by a simple knock of the hammer.

**2.3** Bid orders received by DAVID FELDMAN S.A. or on its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction, will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

### 3. THE AUCTION

**3.1** Live Room auctions are held under the control of the relative supervising authority at its location. The relative supervising authority has no liability. The auction will be held under the ministry of a "huissier judiciaire" of the Canton and Republic of Geneva.

**3.2 Prerogatives of David Feldman S.A.:** DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whatsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place.

**3.3 Bidders' representatives and auction agents:** Any person bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of bought lots.

**3.4 Adjudication:** Each lot is sold on behalf of the respective owner to the highest bidder at the next highest bid step. In addition to the sale price, the buyer pays a commission, of 17.5% postage, packing, export formalities and insurance inclusive. On the adjudication, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the sale price and commission are paid in full.

#### TVA (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland:

Buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to TVA at 7.6% of the purchase price.

**3.5 Payment:** Sale price plus commission are due for immediate payment as invoiced against delivery of the lots. Payment in foreign currencies is accepted at the rates of exchange of the day as quoted by a major bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price and the commission according to those terms. In these cases, DAVID FELDMAN S.A. keeps the adjudicated lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer.

**3.6 Special extended payment facility:** DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

**3.7 Pledge:** Until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfillment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

### 4. GUARANTEE

**4.1 Extent of the guarantee:** Subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. The results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within 3 months of the auction date. No further extension of the period will be considered without the express agreement in writing of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

**4.2 Expertise and counter-expertise:** Should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertises. All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the adjudication price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% the standard rate for all cleared lots. If David Feldman S.A. has not agreed then full interest is due.

**4.3 Exclusions:** Lots described as collections, accumulations, selections, groups and those containing duplicates, cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot.

**4.4 Late Payment:** If the payment of the adjudicated price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

### 5. APPLICABLE LAW AND JURISDICTION

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable.

# Conditions de Vente Français

## DAVID FELDMAN SA CONDITIONS DE VENTE

La participation dans l'une des ventes aux enchères de David Feldman SA implique une adhésion totale aux conditions décrites ci-dessous ainsi qu'aux droits et obligations qui en découlent. Ces mêmes conditions sont applicables à toute transaction en relation à des pièces ou des lots faisant partie de la vente aux enchères et conclue en dehors de celle-ci. La Maison DAVID FELDMAN S.A., organisatrice de la présente vente aux enchères, agit exclusivement comme mandataire et n'assume donc aucune responsabilité quelconque en cas de manquement(s) des acheteurs et/ou vendeurs.

### 1. LES LOTS SONT MIS EN VENTE

**1.1 Sur la base de leur présentation dans le catalogue et/ou sur le site internet** Les lots sont décrits avec le plus grand soin sans toutefois engager la responsabilité de la Maison DAVID FELDMAN S.A. Les photographies font partie intégrante des descriptions pour ce qui est des marges, de la dentelure, du centrage, des oblitérations et de toute autre qualité apparente. La description des lots mentionne si les pièces sont signées par des experts et/ou sont accompagnées de certificats d'expertise.

**1.2 Sur la base de leur examen** Tous les lots peuvent être examinés, avant et pendant la vente dans nos bureaux ou à l'endroit de la vente, aux horaires indiqués dans le catalogue de vente ou sur notre site internet. Les acheteurs ayant examiné les lots avant la vente et/ou y participant personnellement et/ou y étant représentés, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue.

### 2. LES OFFRES D'ENCHERES

**2.1** Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante: (la monnaie peut changer selon la vente, aux enchères)

Sfr. 50 - 100	Sfr. 5	Sfr. 2000 - 5000	Sfr. 200
Sfr. 100 - 200	Sfr. 10	Sfr. 5000 - 10000	Sfr. 500
Sfr. 200 - 500	Sfr. 20	Sfr. 10000 - 20000	Sfr. 1000
Sfr. 500 - 1000	Sfr. 50	Sfr. 20000 - 50000	Sfr. 2000
Sfr. 1000 - 2000	Sfr. 100	Sfr. 50000 - 100000	Sfr. 5000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

**2.2** L'huissier ou le crieur a le droit d'avancer les enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français mais les enchères pourront être répétées en anglais. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la criée du lot suivant par un simple coup de marteau.

**2.3** Les offres d'enchères écrites reçues par David Feldman SA ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données "à acheter" sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en francs suisses. Les offres d'enchères libellées en d'autres monnaies seront converties en francs suisses au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

### 3. LA VENTE AUX ENCHERES

**3.1** La vente en direct se déroule sous le contrôle de l'autorité compétente qui n'assume cependant aucune responsabilité. La vente aux enchères se déroule sous le ministère d'un "huissier judiciaire" de la République et Canton de Genève.

**3.2 Prérogatives de David Feldman S.A.** La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

**3.3 Représentants et Agents de Vente aux Enchères** L'enchérisseur qui agit pour le compte d'un tiers engage son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

**3.4 L'adjudication: Chaque lot est adjudgé au plus offrant pour le compte de son vendeur respectif. Une commission est facturée en sus du prix d'adjudication par David Feldman SA. Celle-ci est de 17.5% et comprend emballage, frais de port, formalités douanières et assurance. A la tombée du marteau, les profits et risques des lots ainsi adjudgés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat et de la commission due.**

**TVA (Taxe à la vente) - Note indicative concernant les ventes aux enchères dont les lots se trouvent en Suisse:**

Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens, dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 7.6% sur le prix d'achat.

**3.5 Paiement** Les adjudicataires présents sont tenus de payer comptant en francs suisses le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en monnaies étrangères est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjudgé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquiescer les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots adjudgés qui ne seront remis à leurs acheteurs qu'à réception par la Maison DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste, dans tous les cas à ses frais; la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit, les frais d'assurance étant également à la charge de l'acheteur.

**3.6 Facilités de paiement:** La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture desdits lots et/ou acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt mensuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est déduit chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjudgés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

**3.7 Droit de gage:** Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

### 4. GARANTIE

**4.1 Etendue de la garantie** Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Les résultats de l'expertise pour laquelle un délai a été accordé doivent parvenir à DAVID FELDMAN S.A. dans les trois mois à compter de la date de la vente aux enchères. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

**4.2 Expertise ou contre-expertise** Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes "FAUX" ou "FALSIFIE" ne constituent pas alors une altération du lot. En présence d'une telle réclamation la Maison DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

**4.3 Limites de la garantie** Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot.

**4.4 Paiement tardif** Si le paiement du prix d'achat et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, la Maison DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du(des) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir le paiement des montants dus et/ou d'éventuels dommages-intérêts/ou le remboursement de tous frais judiciaires. Un intérêt + frais moratoire de 18% l'an sera perçu sur toute somme due par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation tel que prévu sous chiffre 4 ci-dessus.

### 5. DROIT APPLICABLE ET FOR COMPETENT

**La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne.** Dans tous les cas, la Maison DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable.

**Do you have**

*a Grand Prix, Large Gold Medal or Award-Winning collection?*

**Do you think**

*you will sell your collection within the next 5 years?*

**S**o if your answer to both these questions is "yes", then we invite you to phone or write to us personally to discuss the possibilities.

**T**aking account of the last 25 years, we have regularly offered many exceptional collections of Grand Prix and Large Gold status. We have often achieved results including world record prices that have astonished the owners. The auction of the KANAI MAURITIUS collection in Nov. 1993, bore undisputed witness to this fact. These 25 years of experience and achievements have established for us an organisation we believe second to none in the philatelic world.

**A** flexible yet most comprehensive range of activities permits us to relate our services to the needs and requirements of each important collection. But we also like to cater to the needs and requirements of its owner. Substantial cash advance facilities and flexible commission arrangements are part of our standard service.

**M**arketing - The selling of a well-known collection can always benefit from early planning, and a well defined strategy to ensure a successful result.

**P**reparation - Beautiful catalogues of high academic form and content, travelling, exhibitions and worldwide promotion make each auction a major philatelic event.

**S**atisfaction - Ask some of those who already have sold with us. Think it over and contact us at your convenience.
